North Sydney Orthodontics Suite 3 Level 5, 8 West St, North Sydney, NSW 2060

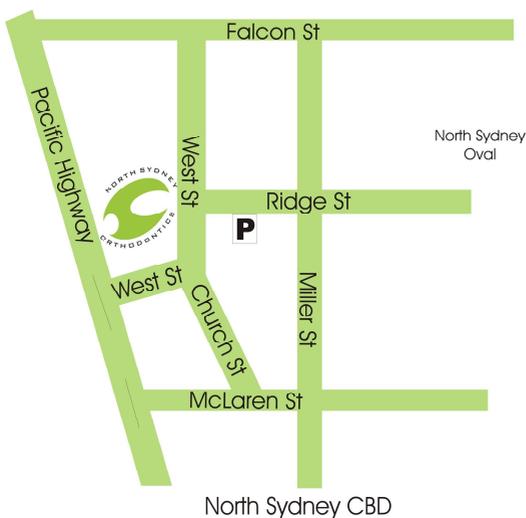

T 02 9954 5144 F 02 9954 5122 E info@nsorthodontics.com.au

www.northsydneyorthodontics.com.au

Parking is available in the immediate streets and in the car park in Ridge Street. From the Harbour bridge via North Sydney CBD take the right turn into Miller Street, then left into McLaren Street, then right into Church Street, - we are in the 13 story building ahead. If approaching from a north or north eastern location take the left turn into West Street off the Pacific Highway or Falcon street.

Take the North Shore line to North Sydney station. Walk through the Greenwood Plaza then up Miller Street, (crossing Berry Street) then turn left along McLaren Street, then right at Church Street - look up you can see us. (10 minutes walk)

Local bus services 200, 252, 253, 254, 261, 273, 286, 287, 290, 291 stop just around the corner on the Pacific Highway.

Dr Charles Daniels completed his orthodontic training in the UK in 1999. He is a registered specialist in NSW and is fully accredited with Medicare Australia. He is an acclaimed researcher and clinician, and has won (UK) national awards for clinical excellence and research. He has published scientific articles and taught dentists and orthodontists in The UK, Netherlands and USA.

North Sydney Orthodontics is a friendly boutique specialist practice emphasizing the personal attention of the orthodontist at every visit. We welcome adults as well as children and offer a fantastic choice of treatment appliances. We take great pride in our work and our practice.

We are fully equipped with diagnostic x-rays, but please bring any records you have to your appointment e.g. x-rays models and photos
